About Map My Biz

Map My Biz is a revolutionary platform dedicated to transforming rural economies. We connect local entrepreneurs with essential **marketing tools**, **mentorship**, and **learning resources**, driving innovation and sustainable growth.

With a focus on inclusivity and empowerment, we create pathways to prosperity for businesses and communities alike, ensuring no dream goes unsupported.

[Our Mission](#)

[Our Vision](#)

Welcome, Traveler!

Discover authentic rural experiences — meet local entrepreneurs, taste traditional food, and support real communities.

Enjoy home-cooked meals, traditional bread, and farm-fresh ingredients. Meet the women behind the pots and hear their stories.

[Find Food Spots](#)

Buy directly from artisans — woven baskets, beadwork, pottery, and more. Every purchase supports a family.

[See Artisans](#)

Walk with local guides through forests, rivers, and heritage sites. Learn about plants, history, and ancestral knowledge.

[Explore Trails](#)

Join seasonal celebrations, dance with locals, and feel the rhythm of the community.

Module 2: Introduction to Business

Learn the fundamentals of starting and running a successful small business

Learning Objectives

- Understand what a business is and how it creates value
- Identify different types of business structures
- Learn the key roles of an entrepreneur
- Discover common reasons why businesses succeed or fail
- Explore real-world examples of small businesses

1. What Is a Business?

A **business** is an organization that provides goods or services to customers in exchange for money.

- **Examples:** Bakery, mobile phone repair shop, tutoring service, online store

- **Key Elements:**

- **Customers:** People who buy your product/service

- **Value:** Solving a problem or fulfilling a need

- **Revenue:** Money earned from sales

2. Types of Business Structures
